Jeff, his business and his whole family are the kind that give and give and ask nothing in return. Their giving is not just monetarily, but in the support, they show to the music department, the athletes, the 4H clubs and the community based ForeFathers organization in Juda. Beyond this Every year Jeff supplies Christmas gifts for students. Not just one or two, but several. Every year Jeff shows his appreciation for the office staff by giving them a gift card. Jeff supported the math team at the top level of sponsorship. Jeff donated an electric meter to the math/physics department as well as his time to educate and the student on how to use it. Jeff donated materials and time to teach the physics class about lighting and energy savings. Jeff has donated time and materials to the Sports Boosters to upgrade outlets/lights in the concession stand and at our community park. Jeff has donated materials and time to the FFA.

Juda is a very small community with only a handful of businesses. Mahlkuch Electric, along with the other businesses in our town, get asked for support all the time. Jeff never says no and always gives more than asked. Jeff Mahlkuch and Mahlkuch Electric are exemplary partners to the Juda School District staff, students and community.
