Center for Additional Teaching Licenses

The Center for Additional Teaching Licenses (Add-On Program) at UW Oshkosh currently serves teachers who

- > *are teaching on an emergency license*
- > *have responsibilities teaching out-of-field*
- > *are in need of removing stipulations to secure a permanent WI teaching license OR*
 - > *want to expand their expertise to a new major, minor or area of concentration in the early childhood-middle childhood, middle childhood-early adolescence, early adolescence-adolescence or early childhood-adolescence fields of study*

We have assisted Wisconsin teachers in more than 125 districts in obtaining over 300 additional licenses and look forward to partnering with more districts in offering

- + *customized opportunities for professional development*
- + *advisement on locating relevant content courses*
- + *compacted early childhood and methods courses for those seeking elementary licenses*
- + *summer music workshops for those seeking add-on licenses in choral and general music*
- + *online methods courses in foreign language, math, English, science, and social studies*
- + *various course opportunities for teachers requiring completion of 6 credits annually*
 - + *topical group meetings on identified subjects or district needs*
 - + *workshops for completing stipulations*

If you are looking for an individually tailored, fully accredited pathway to help your staff add a new license to their current Wisconsin teaching license *OR* a partner in assisting your staff in meeting requirements associated with the new licensure rules, contact Barb or Penny at the UW Oshkosh Center for Additional Teaching Licenses.
