OPPORTUNITIES AWAITS...

The Center for Additional Teaching Licenses (Add-On Program) at UW Oshkosh currently serves teachers who

- are teaching on an emergency license
- have responsibilities teaching out-of-field
- are in need of removing stipulations to secure a permanent WI teaching license OR
- want to expand their expertise to a new major, minor or area of concentration in the early childhood-middle childhood, middle childhood-early adolescence, early adolescence-adolescence or early childhood-adolescence fields of study
The Add-On Program has assisted Wisconsin teachers in more than 125 districts in obtaining over 300 additional licenses and we look forward to partnering with more districts in offering

- customized opportunities for professional development
- advisement on locating relevant content courses
- compacted early childhood and methods courses for those seeking elementary licenses
- summer music workshops for those seeking add-on licenses in choral and general music
- online methods courses in foreign language, math, English, science, and social studies
- various course opportunities for teachers requiring completion of 6 credits annually
- topical group meetings on identified subjects or district needs
- workshops for completing stipulations
